About Us

Mamta Hygiene Products Pvt. Ltd. was established in the year 1984, an ISO 9001: 2000 certified company. We are manufacturer, exporter and importer of Yellow Corn, Shelled Groundnuts, Coriander Seeds, Millet Seeds, Wheat Seeds, Rapeseed Meal, Soybean Meal, Barley Seeds, Wheat Flour, Amsolina etc. These products are directly procured from quality conscious and renowned vendors who work in compliance with the set industry norms. The products we offer are cultivated and processed under extremely hygienic conditions as industry defined norms. Moreover, we possess a capacious warehouse, which is temperature controlled and protected against all rodents to ensure fresh and pure products.

Since establishment, we have been able to carve a significant position in the industry under the able guidance Mr. Prahalad Rai Rat, honorable Chairman of Group companies. He is commerce graduate with 42 years of experience in Agro commodities field. His strict adherence to transparent business dealing and ethical business practices has fetched the company a strong client base across the globe. We have appointed a team of expert quality inspectors who make sure that superior food grade standards are maintained in our range. Our products are globally appreciated for their good taste, high nutrition, freshness, longer shelf life and other.
