We are distinguished manufacturer and supplier of a comprehensive range of packaging supplies. Known for unmatched quality, reasonable pricing and professional business dealings, we hold a prominent position in the market.

## About Us

**Manbhari Bags Private Limited** was incepted in the year 1996 by our mentor, Mr. Pawan Agarwal, who is a visionary entrepreneur. With a clear vision to offer excellent products and services for packaging products, we have walked a long way, consistently improving our product quality and customer service to become one of the prominent faces of modern packaging products.

Our wide product range includes Bopp Bags, Printed Loop Handle Bags, Foil Pouches, Jute Tea Bags, Printed Plastic Bags, H.M. Liners, Ld Sample Envelopes and Tea Packing Pouches. These products are manufactured from fine grade plastic granules and other base materials procured from reliable vendors. Latest manufacturing and testing methodologies are employed to produce the quality range of products. The production team and the Quality Assurance team make every effort to deliver flawless product range to the clients.

Backed by excellent infrastructure with latest technology and highly professional and skilled manpower Manbhari Bags is at an advantageous position to offer peerless quality products to the clients. The constant R&D activities at our premises offer innovative product features and cost effective prices to our esteemed clients. The combined effect of matchless products and services has garnered immense trust of clients and has earned us a respectable market position and a huge clientele spread across the nation.
