About Us

The Printing industry is involved in every sphere of human activity from our traditional wears to from all wears. The global demand for digital prints is growing at a furious pace as lifestyle are changing rapidly.

The Printing industry in India is as old as india itself and rapid and rapid development has come about in the last 15-20 years. A town in Punjab, Ludhiana soon became an important production center. One such woman who had the vision to foresee the creations and trends in fashion wear industry in Ludhiana was Mrs. Sunita Mandal.

The quest for creativity began in 1985 when she was working at home for an assignment given by her Father to hand prints shawls. A house wife dreamt to be an entrepreneur and started her own unit.

Her dream came true when in 1985 she has got the support to shape her dreams from her supportive started a dream called Mandals Associates.

One of the Biggest Garment Printing Solutions Provider with the latest and never repeated designs.
