# Manik Engineers

<https://www.indiamart.com/manikengineers/>

We are leading manufacturer and exporter of a wide range of solenoid valves, expansion solenoid valves and ammonia solenoid valves. These valves and controls are based on latest technology and are ideal for HVAC and refrigeration industry.

## About Us

“Manik EngineersEstablished in the year 1978, Manik Engineers is a prominent manufacturer and exporter of a wide range of Industrial Controllers, Industrial Capacity Controllers, Liquid Level Controllers, Solenoid Valves, Expansion Valves and Various Controls for HVAC and Refrigeration industry. Our range includes Check Valves, Ammonia Check Valves, Fluorinated Check Valves, Liquid Level Controllers, Float Switches and Pressure / Temperature Regulating Valves. We are also offering our clients with in line Non Return Valves, Safety Valves With Dual Manifold, Compressor Capacity Controlling Solenoid Valves, Screw/Piston Compressor Capacity Controllers, Temperature/Pressure Indicators and Controllers, Ammonia Leak Detectors, Automatic Air Purgers and Ammonia Dehydrators. ”

# SOLENOID VALVE

Solenoid Valves for  
Fluorinated Refrigerants

Solenoid Valves for Ammonia  
SA Series

Ammonia Solenoid Valve

Solenoid Valves for  
Fluorinated Refrigerants

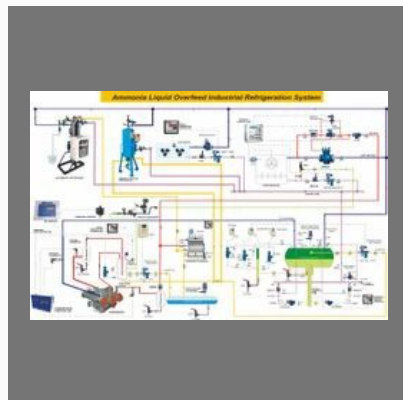

# REFRIGERATION PLANT COMPONENTS

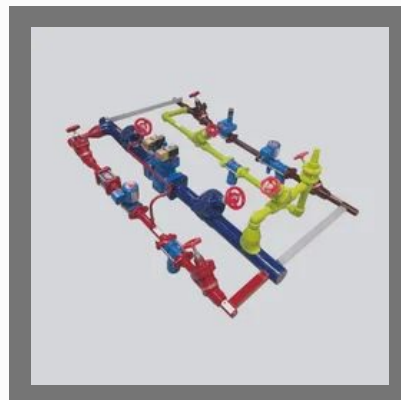

Ammonia Liquid Level Controller

Automatic Air Purger for Refrigeration Plants

AMMONIA LIQUID OVER FEED PUMP SYSTEM

Hot Gas Defrosting Station System

Ammonia Liquid Level Controller

Refrigeration Reciprocating Compressor Controller

Reciprocating Compressor Controller Type PRCC

TEMPERATURE INDICATORS / ON-OFF CONTROLLERS

# INDUSTRIAL VALVES

Hand Expansion Valve For Ammonia

HIGH PRESSURE STOP VALVES

Safety Relief Valves

Constant Flow Valve

# VALVES

HIGH PRESSURE STOP VALVES

HIGH PRESSURE STOP VALVES TYPE MHPSV-SS

HIGH PRESSURE REGULATING VALVES

LEVEL GLASSES

# GAS LEAK DETECTOR

Ammonia Leak Detector

Ammonia Leak Detection System

Handheld Ammonia Leak Detector

# COMPRESSOR CAPACITY CONTROLLER

Screw Compressor Capacity Controller

Microcontroller Based Compressor Capacity Controller FKD331

Compressor / Chiller Controller

Compressor Capacity Controller Type PRCC

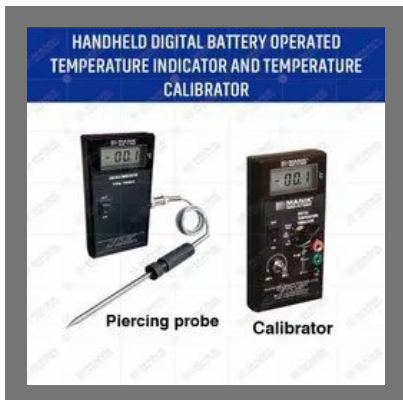

## OTHER PRODUCTS:

Compressor Capacity Control  
Solenoid Valve

Cold Storage Automation

Thermometer / Battery  
Operated Temperature  
Indicators

Non Return Valves

## OTHER PRODUCTS:

Industrial Water Solenoid Valve

Ammonia Leak Detector

Cold Room Safety Alarms

# Factsheet

Year of Establishment	: 1978
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 51 to 100 People
