About Us

Established in the year **1983**, we, “**Manoj Kalani & Co.**” have gained immense reputation in the competitive markets as the prominent and reliable suppliers and traders of a comprehensive range of **Indian Pulses, Cattle Feed, Indian Rice, Jwar & Bajara, Soyabean & Kabuli Chana** and **Wheat Maize & Barley**. Our offered product range has been procured from the most reliable market vendors who are well indulged in the practice of cultivating these agricultural products. In order to keep up with the quality and reputation of our firm, we maintain complete quality while the process of procurement and its packaging. Since, we have a huge gamut of such products on offer, we have been in wide demand by many of our coveted customers. Our firm has been fulfilling the demands of various retailers, grocers, vendors and other direct customers through our huge supply chain. Products available in our range are **Green Moong Pulses, Mogar Dal, Pulses, Sabut Moong Dal, Moong Dal, Cattle Jowar, Cattle Feed Supplement, Cattle Feed and Cattle Bajara** and many more.

We have stringently maintained quality by all means and with utmost priority. Since we are the suppliers and procurers of this range, we have to be extra careful about the natural quality. For this intricate and abstract purpose, we have appointed a team of agricultural experts who are our procuring agents. Our experts of packaging, processing machine operators work in a...
