Manoj Timber Co

https://www.indiamart.com/manojtimber/

We are amongst the leading manufacturers, suppliers and exporters of a comprehensive range of Wooden Boxes and Pallets, Indian Wood. Our entire range scores highly in terms of strength, color, attractive surface and termite resistance.
About Us

Established in the year **1976**, **Manoj Timber Company** has been engaged in manufacturing, supplying and exporting of a wide assortment of **Wooden Boxes and Wood**. These products are widely appreciated for their high strength, smooth finish and anti termite nature and exotic textures, and hence are used in construction, automobile and infrastructure industries. Consolidating on our wide distribution network across Delhi/ NCR, Rajasthan, Haryana, U.P and M.P, we have been able to meet the requirements of our domestic as well as global clients. We also offer highly customized solutions to our clients as per their demands. Under the able guidance of **Mr. Manoj Agarwal** and **Mr. Pankaj Agarwal**, we have registered exponential growth in the market. His sound business acumen and diligent efforts of our team have enabled us to garner a huge client base of satisfied and loyal customers.
