M/s Mantra E-bikes is one of the leading manufacturers of Electric Scooter, importer of scooter batteries, scooter spare parts and trader of E-Rikshaw and battery. We offer these at market leading rates.

About Us

Established in year **2018**, **M/s Mantra E-bikes** is a well-known **Manufacturer** and **Wholesaler** of **Battery Operated Electric Scooter and many more**. All these products are quality assured by the quality assurance executive to ensure perfect qualities and longer life. Highly demanded in different industries, these products are accessible from the market in different shapes, sizes and configurations.

Mantra E-Bike is an Indian electric two wheeler manufacturing company that was established in 2018 with a mission to create two wheelers that can change each and every gasoline bike existing on roads by battery operated e-bike and scooters and drive our present towards a sustainable future.

Our business is not just about building a loyal customer base, but also about building a better, cleaner and greener future for the generations to come. As an ambitious player of India's evolving E-bike market, we wish to be the benchmarks of affordable eco-friendly technology.

With the leadership and extreme knowledge of **Suresh Sharma (Partner)** we are maintaining our topmost position in the global market.
