## About Us

**Marble Palais** is a company dealing in natural stone business since early 1980. At Marble Palace we are dedicated to the design, quality and customer satisfaction, and we do it gathering the experience and expertise of our skilled labour. We supply any kind of marble, granites, putting quality always as the top requirement in the market. We manufacture sculptures, ornamental mosaics and medallions, bathroom decoration, and any type of facades among others. All these products are developed with care from the very concepts and sketches to the final laying. Two important stages of that process are the Art Team, responsible for the drawing of sketches and brain-storming of new concepts and ideas; and the Preview Team which enables the customer to see a virtual representation of the final product. Only taking the proper attention to material quality and design, and tailoring it to the customer needs, we are able to provide a distinctive final product which through our known manufacturing tradition and product care clearly stands out from others.

**Marble Palace** is a Marbles, Granites and natural stone wholesale company with a solid position in the stone industry. We are a specification driven company that has the capacity to offer any range of product or budget. Whether your style is classic traditional or contemporary, **Marble Palace** can accommodate your needs. Flexibility for us is of paramount importance. At **Marble Palace**, we take pride in...
