Offering real estate services.

About Us

MG IPL founded in 2011, is an initiative to guide and advice right to the customers who are willing to buy real estate. The team at MG IPL is having vast experience in the business of real estate and the recommendations are based on the research carried out on different parameters viz. Location, pricing, product, Builders credibility etc. Our expertise have been reflected in the products recommended by us in the past which has shown good appreciation and are considered to be best properties delivered/ under construction e.g. Ireo rise, ATS Derabassi, Sandwoods opulencia to name a few. The idea was to give right advice and ensure safety of client's hard earned money by having it invested in right properties. Transparent and fair deal is what we believe in.
