## About Us

Looking for high quality marine equipment? Then you are at the right place as we, at Marine Suppliers Inc., are specialists in supplying marine products. We source best quality second hand or refurbished marine and industrial goods to our customers worldwide. Since our establishment as marine export company in 2003, we have dedicated ourselves in serving our customers with high quality marine supplies and do exporting and brokerage of ships for recycling. We are well-known for our exceptional quality marine equipments and spares which we source to ship owners, distributors and traders, ship building and ship repairing sectors worldwide directly from Alang Ship Breaking Yard, one of the world's largest ship recycling yards located in Gujarat, India.
