We are **Manufacturer & Supplier** of **Bathroom Accessories** that are available in different sizes. Our products are widely appreciated for their quality, durability & longer service life. These are offered at industry leading prices.

## About Us

Established in the year **2003**, '**Maruti Technoplast India Private Limited**', is counted amongst the leading manufacturers and suppliers of a wide assortment of **Plastic Sanitary & Bathroom Accessories**. Manufactured using superior grade raw material, the range is appreciated for its durability, light weight, precision design, easy installation & operation and low maintenance. All our products are sold and marketed under the brand name '**CERAMIC.**'

To successfully cater to the ever increasing demands of the clients, we have developed a sound manufacturing facility. Owing to the hi-tech machines and equipment that are installed within the facility, we are capable of fulfilling even the voluminous demands of the clients within the stipulated time frame. Supported by the efforts of our expert professionals, we are also capable of offering customized products as per the specific requirements of the clients.

Capitalizing on the ample knowledge of our mentor, '**Mr. Kanhaiyalal Sadhu**', we have been able to create a commendable position for ourselves in the domain. His rich industry experience and immense domain knowledge have helped us in garnering a huge client base across the globe.
