Marvel Vinyls Ltd is one of the **Leading Manufacturers and Exporters** of PVC Products like **Artificial Leather and PVC Flooring, Sheets and Films.**

About Us

Marvel Vinyls Limited, the largest manufacturer of Artificial and Synthetic Leather, PVC Flooring and PVC Sheets was established in the year 1985. Marvel started manufacturing PVC Sheets and Films in its newly acquired manufacturing facility in Sahibabad (U.P) and expanded its infrastructure geographically in Madhya Pradesh as well as vertically by diversifying further into Vinyl Flooring, PVC Synthetic Leather, Technical Coated Textiles and Knitted Industrial Fabrics over the years.

Our more than 3 decades into Manufacturing has been very eventful, with Marvel achieving above average year on year growth and emerging as one of the largest PVC converters in India, with the current capacity standing tall at 3900 MT/Month.

The group is actively seeking capacity expansion and aims to bring capacity up to 5000 MT by FY 2016.
