About Us

Established in the year 2004, **Marwar Metals Private Limited** is instrumental in manufacturing, supplying, trading and offering flexible services of **Diesel Generators, UPS, Solar Panels, Generators, Battery**. Our product range includes Biomass Generators, Biomass Generators, Irrigation Pumps, Sprinkler Systems and many more. The entire product range is manufactured using quality approved components and sophisticated technologies. Our entire product range is in compliance with set quality standards and policies. Moreover, our entire product range is widely appreciated among the clients for easy installation, rugged construction, minimum maintenance and weather resistant nature. Our services are well-executed as per the directives of our discerning clients. We are blessed by our mentor **Mr. Mahaveer Choudhary**, who had greatly inspired us to expand our organizational objectives and business operations. His strong motivational skills and vast industrial experience has assisted us to carve a niche in the competitive industry. Our organization is supported by a team of skilled and experienced professionals, who undertake the services and manufacturing process in compliance with set industry standards. These professionals use their domain expertise and rich industrial experience to deliver world class range of products within well-defined time frame. They utilize sophisticated machinery and advanced technologies in catering the...
