

Mascot Electrotek Private Limited

<https://www.indiamart.com/mascot-electrotek/>

Standing on the grounds of accuracy and reliability, we present ourselves as a reputed manufacturer and exporter of a wide range of durable as well as high precision metal detectors Separator machine & electronic instruments.

About Us

Incepted in the year 1996, we have established ourselves as an eminent manufacturer and exporter of premium quality metal detectors & electronic instruments, industrial level controllers, cyclic timer controller and liquid level controller etc. Started with an objective to provide world-class electronic instrumentation based devices, today, we have come a long way with our facilities as per NPL/ISO standard having NABL traceability.

Our range of metal detectors protect different machinery from getting damaged by unwanted or "tramp" metal in product. Durable in quality and precision engineered, our full range includes: ultra search metal detector, conveyor belt, gravity feed system, incline type, rpm indicator/controller-photo switch-buzzer, cyclic timer, liquid level controller and electronic liquid level controller.

With our head office in Rajkot, we cater to a wide base of clients in national as well as international arena. We are also empowered with a team of competent professionals who enable us to meet the increasing demands of our clients worldwide.
