Offering of wireless equipments services, global services and internet services.

## About Us

Mass Computer is a leading Supplier and Services Provider, based in Sohna, Haryana. Our superior products and services meet today's high-tech challenges with always-on solutions that deliver Surveillance, Recording, Data, Internet, Voice and Video faster, more efficiently, more reliably. We have managed to reach out to remote places around the globe via Satellite, VSAT, Radio link and Lease line. We specialize in catering ultra-tech products like CCTV Surveillance Security Cameras, Megapixel Network Cameras, Electromagnetic Locks, DVR Recorder, and Used Computers. We also deal in AMC Services. Helping to bridge the digital divide for enterprises, governments, carriers and consumers in every continent, Mass Computer provides a completely new world of opportunities to connect, share, learn, grow, and serve. In addition, we have been in the Internet Consultancy Services since a long time. Committed to marketing and delivering reliable satellite products, systems, services, & solutions and loyally serving our customers, we have worked hard to earn our place as a market leader.
