About Us

Master Universe was established in the year **2011** in **Mumbai, Maharashtra**, We are a **manufacturer** and **Wholesale Trader** of **Vegetable Powder, Blended Masala, Kasoori Methi, etc.** To produce high-quality products, we have all the requisite facilities and experts. We have worked our way up the ladder in maintaining our standards of quality. We offer pure products packed hygienically which protect them from worms and environmental changes. Further, our products are highly appreciated for their quality as well as freshness. Besides, we have a huge storage and packaging unit, which assures the quality of products is still retained to its highest level. These products are widely appreciated and demanded their essential features like high quality, reliability, durability and several other attributes. The huge client base we have set up in our country result of offering optimum quality products. Being a customer-oriented company, we never compromise on quality in any given condition. We always believe in client satisfaction, which is the main concern of our organization. In our every business activity, we keep in mind the benefits of our customers and hence, we strive to make our business transaction, a systematic and hassle-free experience for them. Our aim is not only offering clients optimum quality products but also establishing long lasting business relations with them.
