We are an established manufacturer and supplier of an enticing array of Jewellery Items. These products are reckoned in the market for aesthetic appeal, excellent polish, fine finish and unique & intricate designs.

## About Us

Established in the year 2006, we, “Mateshwari Bangles”, are engaged in manufacturing and supplying an exquisite collection of Jewellery Items. In this product range, we offer Necklaces, Rings and Bangles. Jewellery items that we bring forth for our customers are highly appreciated in the market for quality attributes such as long lasting shine, excellent finish & polish and intricate designs, among others. Owing to these quality attributes, our products have managed to become the preferred choice of women across the country.

Made with the aid of a proficient team of jewellery designers and craftsmen, our range of jewellery items is in accordance with the prevailing fashion trends. For crafting our jewellery, we make use of optimum quality stones, gems and basic material procured from certified market vendors. Quality initiatives employed by us help in ensuring flawless end products to the clients. Moreover, to fulfil the exact requirements and preferences of our esteemed customers, we provide them with customised jewellery. With the help of our creative artisans, we are able to bring forth a unique jewellery collection, which can be worn with casual, formal as well as ethnic wear. The entire range of jewellery items offered by us is a perfect blend of traditional and modern designs, which has been much appreciated by clients.

Our team comprises seasoned artisans, jewellery designers and skilled professionals who have vast experience in...
