About Us

Matha Enterprises was established in 2001 with the support of professional exporters and manufacturers. We export a wide range of products from whole spices, ground spices, brass items, handicraft items, farm products, granites, herbs, coir products, textiles and food grains. Matha enterprises is an exporter of products which is registered with the competent government authorities in india. We strongly believes in customer-care and customer satisfaction besides striving to reach advance levels in achievement together.

We supply quality products in normal cost. Matha enterprises constantly consistently and continuously instills confidence and works in a close relationship with customers. Matha enterprises is a customer oriented exporter and makes all sincere efforts to exceed the expectations of customers and strive to fulfill their expectations. We have immense pleasure in introducing ourselves as an Export Company based trade in Madurai, Tamil Nadu. India.
