## About Us

Situated in Bangalore, **Mathru Hospital** is a leading health care center. We are known for providing effective treatment to the patients suffering from various kinds of bones dysfunctional and diseases. At our orthopedic hospital, patients can get treatments at nominal consultation fee. The operation theatre of our hospital is well-equipped with advanced surgical instruments and equipments necessary to undertake the surgeries. We are committed to provide best treatment related to Joint Replacement, Arthroplasty and other bone problems, to the patients. For undertaking reliable and effective treatments we have appointed a panel of experienced and qualified bone specialists and other medical staff. Dr. Kishore Kumar. M, a renowned MS (Ortho) and our other Knee; Shoulders Specialists and Bone Specialists of our hospital use latest medical facilities while carrying out Arthroplasty and several other bone treatments and surgeries. The medical consultants visiting in our hospital are from Fortis Hospital, Hosmat, RMV Hospital, Marthas Hospital, BEAMS Hospital and Panacea Hospital. With the consistent effort of these medical experts, we are able to provide a healthy life to the patients.
