About Us

We “**Matrics Solutions**” are a complete Health Care Solution Company. Started in **2007**, Matrics Solutions, leading company in extended range of surgical & diagnostic products manufacturing & health care services in manufacturer and trader of an exceptional quality array of **Health Care Products like Urology Product, Gastroenterology Product, Anesthesia Product, Rapid Test Kits, Elisa Test Kits, Cardiac Surgery Product, Nephrology Products, Surgery, and Wound Drainage**, and many more. Manufactured making use of supreme in class material and latest technology, these are in conformism with the norms defined by the market. Along with this, we are also offering Medical Software Solutions, IVF Hospital Solutions, Hospital Development Services, and Pathology Radiology Services to our clients.

Backed by a diligent team of professionals, we have carved niche in the industry by offering a wide assortment of health care products. We have established a spacious warehouse that is facilitated with all the necessary tools that are needed for storing our manufactured and procured products carefully. Furthermore, to ensure that our clients get the best quality health care products, these are thoroughly checked on several quality parameters.

Under the headship of our mentor, **Mr. T.K. Gupta**, who has 20 years experience in health care domain with setting hospital management,...
