

# Matrix Security Solutions

<https://www.indiamart.com/matrix-security-solutions/>

Matrix access control enables organizations to have controllable but secured security for their employees and infrastructure. It decides user entry based on who is allowed, when he is allowed and where he is allowed.

## About Us

Established in 1991, Matrix is a leader in Telecom and Security solutions for modern businesses and enterprises. An innovative, technology driven and customer focused organization; the company is committed to keep pace with the revolutions in the telecom and security industries.
