## About Us

With a mission to create and deliver innovation, **The Untold Stores** the emerging manufacturer, importer, exporter and trader organization of next generation **Kids Toys and Backpacks** was established in **2016**. Our assuring baseline and progressive philosophy to add tremendous value to our valuable clients' business, furnishes us to provide a broad range of high achieving Kids Toys, House hold, Corporate Gifts and Kids Back Pack. Our extensive array of equipment earned us a great repute in the challenging market conditions for their proposed quality, attractive design and colors, precise dimensions, age-friendly, stain resistance and safe to play.

The pillars of our company were devised with the purpose to produce toys that reflect our brand repute and efficiency. Recognizing the clients' complicated requirements and evolving business courses, we have extended fabricating kids toys that are based on sound technology is driven enterprise strategy and a broad promise of world class show. With an aim to expand our commercial trail, we have encountered frequent upgrades in our generation machinery to guarantee that our center identity encapsulates business and agility in the shipped kids toys.

**Mr. Bala Subramaniam S (Partner)** is the guiding authority after our speedy pace. His deep expertise supported us to embrace the purpose and scope of our core beliefs into our business plans....
