Max Faith Engineers Pvt. Ltd.

<https://www.indiamart.com/maxfaith-engineers/>

We are a reputed company engaged in designing, manufacturing, supplying and installing of a wide range of Prefabricated Shelters for varied applications.

About Us

We manufacture & supply **Prefabricated Structures** like **Cold Rooms, Guard Security Cabins, Bunk Houses, Prefabricated Accommodation, Prefabricated Houses, Prefabricated Buildings, Modular/Mobile Toilets, Telecom Structures & Mobile Vans**. We have PUF injection machines from one of the world leaders in this field (i.e. from Italy). This has enabled us to manufacture panels of good quality having 99% cell structure. At present our production capacity is 20,000 sq per month and we are also in the process of further enhancing our capacities.

We have all necessary equipments at our end to manufacture panels ranging from 30 mm to 150 mm. We use color coated coils from reputed vendors in various thickness as per requirements of the customer.

We are committed to maintain the highest possible standards for specific client requirements.

- High degree of professionalism accuracy to zero perfection
- A Professionally managed dependable company of Engineers with Vision.
- Controlled factory manufacturing conditions provide greater accuracy of the modular components.
- Company has manufactured and supplied all types of telecom shelters to Leading operators & infrastructure companies.
