About Us

Maxfort Relocation Services has been into the business of offering effective relocation services for the past thirty years. The kind of services offered by us include loading and unloading services, packing and unpacking services, domestic or corporate relocation facilities offered both in local areas and across international borders. The services offered by us are handled in such a professional manner that our clientele has been ever on the rise since the inception of our company.

We have our own group of vehicles that we use to transport the goods from one location to another. Having our own fleet of vehicles ensures that all the goods are effectively put across in the carrier trucks and there are no delays in the delivery of goods as we own them and we schedule the relocation business in accordance to the availability of the carrier trucks or we try to increase the number of vehicles in accordance to the business that gets generated for our services. We have to say that the efficiency of our services is determined by the fact that all the vehicles that we own have systems attached in them that help them to get located easily. So in case you are apprehensive about the whereabouts of your goods and the time of delivery of your goods then you can readily check the status of our trucks online so as to know the correct status of your cargo and you can plan other things in accordance to this. This kind of revolutionary innovation in moving strategies enable all the...
