Max-Ion Engineering Services

<https://www.indiamart.com/maxion-engineering-services/>

We are one of the leading manufacturer, trader and exporter of a wide range of cooling towers and Water Treatment Plants, effluent treatment plants and Systems. we are having inhouse manufacturing of these products and components from grassroot level.

About Us

Established in the year 1995, at Kanpur, Uttar Pradesh, India, we “**Maxion Engineering Services**” are one of the leading manufacturers, traders and exporters of a quality range of **Water Treatment Plants and Systems and Equipment**. In our product range we offer **Demineralisation Plants, Mineral Water Plants, Reverse Osmosis Plants, Systems & Equipment, Water Softeners, Filtration Plants, Effluent Treatment Plants** and **Frp Cooling Towers**. All our water purification systems are used to eliminate and remove unwanted salts, harness and impurities from the water and makes is safe for consumption and other industrial purposes. We have with us a team of qualified and experienced engineers who are are well versed with the latest technologies coming in the market and incorporate them in the manufacturing process. They understand the different requirements of the customers and offer products that match with expectations of the customers. Under the able guidance of our mentor **Mr. Sunil Kumar Singh**, we have successfully catered to diverse needs of the commercial and household customers. His years of industrial experience and sharp business acumen have enabled us to conduct our business operations smoothly.

WATER TREATMENT PLANT

Water Softner

Multigrade Sand Filter

Softner Non Chemical

Demineralisation Plant

WATER TREATMENT COMPONENTS

Water Level Controllers

FRP Vessel

Distribution system for water treatment plant

RO Control Panel

MINERAL WATER PLANT

Mineral Water Plant (Stainless Steel)

Industrial Mineral Water Plant

Chiller

Mineral Water Plant (SS/FRP)

REVERSE OSMOSIS PLANT

Package RO plants

Industrial RO plant

RO Plant 2000 lph

Reverse Osmosis Plant

COOLING TOWER

Round FRP Cooling Tower
15-20 TR

Round FRP cooling towers

Square FRP Cooling Towers
(Single Cell)

Fanless Cooling Towers

COOLING TOWER COMPONENTS

Cooling Tower Fan

Cooling Towers Fills/Packings

Cooling Tower Motor

Drive Shaft For Cooling Tower

EFFLUENT TREATMENT COMPONENTS

Automatic Dissolve Oxygen
Cum Monitor Device

Tube Settler Media

Bubble Diffusers

Bio Pac Media
