<https://www.indiamart.com/maxwellengineers/>

Established in the year 1982, we, Maxwell Engineers are one of the leading manufacturers of wide range of process machinery and dryer used in paper, chemical, pharmaceutical and allied industries equipments.

## About Us

Established in the year **1982**, we, **Maxwell Engineers** are one of the leading manufacturers, exporters and suppliers of a wide range of process **machinery and dryer**. Backed by our team of motivated and ambitious engineering personnel, we have diversified our range of products. Our personnel have immense industry experience and have enabled us in manufacturing products to cater to the specific requirements of our clients. Under the able guidance of **Mr. J Jacob**, our owner, we have grown from strength to strength garnering huge client base and their support. Mr. J Jacob has 30 years of experience in this industry and leveraging on his expertise and experience, our team has achieved immense excellence for fabrication for various equipments. In addition to this, we even uphold execution of works under third party inspections, which enables us to deliver high quality process plants and equipments. We also specialize in all types of stainless steel fabrication works. Furthermore, capitalizing on our reliable sources of quality raw materials and our strong team of technical experts, we have won the trust and confidence of our clients.
