About Us

Folkart is always specific to a country & this specificity allows us to know the country through the eyes of its evolving folkart through ages and generation. The Kantha is a similar form of folkart which is specific to Bengal & has put Bengal on the world map as a place rich in art. Seeban Udyog organization was established with the vision of reviving this ancient form of art. Year after untiring effort by Mahamaya Sikdar & her group of almost 300 artisans have resulted in recreating this ancient form of art to suit the need of present generation. Hence the revival has been focused not just to breathe a new life to this art but also to recreate it in a way that the present generation can identify themselves with it. We have a huge clientele: **1. West Bengal handicraft corporation huge sale. 2. Government India, ministry Textile 3. Tata Iron & Steel Company 4. CA, P.A, R.T gram shree fare 5.
