About Us

Mayajaal Multiplex is a Chennai based private ltd company pioneering a new concept in the entertainment sector and aims to revolutionize the way ticketing is done. It has its roots in Chennai where it is partnering with cinema industry majors in the movie production and distribution community and is all set to expand its reach across the country with nationwide tie-ups of franchisees to get set on the stage. The core strength of this company is the uniqueness of its product and its well experienced and renowned management group having business strategies to cater to a wide sector of the entertainment industry with plans of expansion and to even market globally. The mission in establishing this company is to innovate a centralized ticketing platform for the entertainment segment with uniqueness in their approach, technological breakthrough and dynamic business practices. Mayajaal has a vision to have tie-ups with theatres and theatre owners to subscribe for their service absolutely free of cost and let them avail of all the benefits of wider market, broader sales, added revenue and also going the technology way! Mayajaal is being backed by the strong technical team of FILMSNTICKETS Private Limited which has been in the IT industry for over 8 yrs now and servicing clients worldwide including Govt. of Singapore and several U.S based clients with ODC setup. FILMSNTICKETS is the technology partner for Mayajaal.
