M. D. Enterprises

<https://www.indiamart.com/mdenterp/>

Manufacturer and marketer of medical dressing products, rehabilitation products, sanitation products, healthcare products and medicines.

About Us

Established in **1976**, **M. D. Enterprises** is one of the most trusted names in the pharmaceutical and medical industries. We ensure that we deliver quality products that are safe and non-toxic and supply to various organizations like government of India, public and private hospitals, doctors and pharmacy distributors.

We are Manufacturer, Supplier and Trader of categories like **Dressing Products, Rehabilitation Products, Sanitation Products and Healthcare Products.**

We understand the needs and pains of our customers and end users and deliver outstanding satisfaction not only to its users but to the patients as well! This never ending effort to serve our customers and users in the best possible manner has developed competence to deliver global quality at local price! From the beginning when a customer contacts us till he uses our products we are in constant touch with them. The thought which drives all of the team members is that, we will deliver products which have passed through the greatest levels of precaution, care and quality checks, before they form a part of the healing process of any individual.
