About Us

MDH Financial Services promoted by Mr. Harish Kumar Mehta, a law graduate from Meerut University, is the chief architect of its growth and has steered the group to be a diverse and respected financial and insurance services organization.

I am offering a suite of life insurance, general insurance and investment solutions to my Indian and Non-resident Indian (NRI) clients. I have carved a niche for MDH Financial Services by proving over and over again how intelligently made financial investments can make a difference to the quality of customer's financial health.

At MDH Financial Services, we understand that "Different people have different needs". Hence, my advice is absolutely tailored to fit the client's near term and long term capital requirements.
