## About Us

ME and Dr.com is an online portal that provides information related to doctors, hospitals, operations and other medical fields where anyone can book appointment of the respective Doctors to take proper guidance and treatment from the best Doctors of the Ahmedabad. ME and Dr.com is started by Jaydeep Patel . The Idea of these initiative reflected when my Father's need to undergo operations of Prostrate, Gold Bladder and Angioplasty. During that particular time, I searched for required operation information but I didn't get it. Anyhow during that particular time I adjust with the words of mouth but that doesn't result in the fruitful treatment and even my father struggle for the life but such kind of problem mustn't happen with other people as life is the most beautiful gift provided by the God. So I decided to provide operation information to people like me who are a actual in need of it. Therefore I am here to provide the solutions of your Health problems through expert Doctor's advice in the most easiest and effective manner.
