<https://www.indiamart.com/mec-shotblasting/>

We are amongst the leading manufacturers, exporter and suppliers of this impeccable range of Shot Blasting Equipment. The offered products made available by us, are known for its superior performance, service life and user friendly nature.

About Us

A commendable and diverse range of Shot Blasting Equipment, is manufactured, supplied and exported by us at **Mecshot Blasting Equipments Private Limited**, ever since our inception in the year **1992**. The range is made up of the finest Airless Shot Blasting Machine, Air Operated Machine and Shot Peening, having a high demand in the market. Making of this range is done in accordance with the set industry norms and guidelines, utilizing the finest raw materials and modern machines. Owing to this, the offered product is known to have a superior performance, precision, strength and a longer functional life. In addition, the offered range is marked at the most reasonable rate possible.

For the purpose of extending our reach in the market, we upgrade our infrastructural facility on a highly regular basis. For reason of attaining all of our predefined goals and objectives, the facility has been laced with all the necessary machinery and equipment that are required. To attain finer and smoother management of the firm's operations, the facility has been divided into a number of highly operational units. These units, under skilled professionals, work hard in a highly united manner, to boost the firm's ability to product. In addition, our ethical working habits have helped us accumulate a hand full of highly reputed names, as our clients.

Under the leadership of our Vice President Marketing **Mr. Vivek Mehra**, we have managed to attain...
