We manufacture and export a range of **Conveyors, Special Purpose Machines, Leak Testing & Crack Detection Equipment and other devices**. Besides this, we also undertake Turnkey Design Projects for these systems.
About Us

Incorporated in the year 2007, at Pune (Maharashtra, India), we, “Mechatronic Systems,” hold specialization in designing Pneumatic, Hydraulic and Mechanical SPM’s using PLC’s, Servo and CNC Systems. We are a reputed engineering house involved in the fabrication of Walking Beam Conveyor, Flat Belt Conveyor, Power & Free Roller Conveyor, Gravity Roller Conveyor, Deburring & Bearing Press, Drilling SPM, On-site Taper Grinding SPM and other machines. These are widely used in different industries and segments including Automobile, Textile, Steel, Pharmaceutical and other process industries.

Powered with a strong team of qualified & experienced engineers, we also undertake Turnkey Design Projects for these systems. In addition to this, we also offer Inspection, Installation, Repairing and Maintenance Services for different solutions offered by us. These services are rendered by a team of technically proficient workers who hold versatile knowledge in their respective domain.

Our mentor, Mr. V.V. Kulkarni has been continuously guiding the company with his excellent industrial knowledge and experience. Under his dynamic management, the company has successfully executed more than 200 projects in its short journey. He helped the organization to have associations with many leading brands of the market including Tata Motors, L & T, Ashoka Leyland and many...

SPECIAL PURPOSE MACHINES

Our Products

Welding Linear Machine

Drilling SPM

Multi Spindle Drilling Machine

Cut to Length SPM
INDUSTRIAL CONVEYORS

Gravity Roller Conveyor

Tilt Com Turning Conveyor

Powerised Roller Conveyor

PU Roller Tilting Frame Conveyor
LEAK TESTING & CRACK DETECTION

Air Leakage Testing

Cotton Inspection

Ultrasonic Crack Detection
Gantry-2

Ultrasonic Crack Detection
Gantry
HYDRO OR PNEUMATIC PRESS

Stacking Press

Deburring & Bearing Press

Spacer Bush Press
OTHER PRODUCTS:

- Web Centralizing
- 180 Deg. Indexing Conveyor
- Ultrasonic Crack Detection
  Gantry-4
- Multi Spindle Nut-Runner
OTHER PRODUCTS:

Nut Runner

CIRCULAR WELDING SPM

Manipulators / Zero Gravity Balancer

Lifter Table
