<https://www.indiamart.com/medha-servo-drives-limited/>

Manufacturer of vigilance control device, locomotive control computer etc.

## About Us

Medha servo drives pvt. Ltd. , founded in 1984, is focused on rail transportation. Since inception, medha has used research and development as a tool for success and today we are proud to be known for our product range, domain knowledge, design expertise, quality and manufacturing capabilities. Starting from humble beginning, over the last 25 years our company has grown to employ over 1100 talented people whose commitment has led to a sales revenue of INR 2. 0 billion (approximately usd 42. 8 million), with the revenues growing at the rate of 68% year over year for the past four years. Medhas vision is to become a world leader in railway products and to achieve this we specialist in three areas, control electronics, power electronics and safety critical signaling.
