Brainchild of Nihar Mehta a young entrepreneur from Mumbai. He states "**Our mission is to procreate awareness, spread knowledge, entice liking and with conviction offer the ideas to our clients and to promote understanding of product's benefits to linking those benefits with personal values**". The team listens and interlaces. This is why they always stimulate and challenge themselves for new ideas and tasks. Inculcating brave new ways to communicate, ones that comes from a place of innovation, insight and imagination.
