About Us

Since our inception in the year 2001, we, Medicare Hospital are dedicated to offer quality health services to our patients. With over an experience of 12 years, we have earned a good reputation for specialized medical care. We are proud to be acknowledged for providing comprehensive healthcare efficiently.

Medicare Hospital is a Multi-specialty Hospital for Surgical & Medical Emergency. Our hospital is equipped with latest and innovative technology, required for the diagnosis and treatment. All our medical equipments and machinery is sourced from the reliable vendors in the market. Moreover, we have in house path Lab and ABG, X-ray and ultrasound facility.

We hold pride in having some of the leading medical healthcare experts, who are specialists in medicine. A panel of medical experts are highly qualified and trained and have years of experience in their respective field. They don't just give medical treatment, but serve the patients with human touch and care that in turn accelerates the recovery of patients. Moreover, our dedicated nurses with up-to-date knowledge base are committed to serve the patients with utmost care.
