Medicare Healthcare Product

<https://www.indiamart.com/medicareindia-pvtltd/>

Medicare Healthcare Product is successfully catering to the varying requirements of Medical Industry, since 1996.

About Us

Established in the year **1996**, **Medicare Healthcare Product** is located in Agra (Uttar Pradesh). Furthermore, we are known as one of the leading **Manufacturer, Exporter, Importer and Trader** of Medical Products in India. Our variety of Medical Products consists of **Latex Gloves, Urology Products, Gastroenterology Products, Infusion Transfusion Products, Anaesthesia Products, Mucus Extractor, Disposable Item, etc.**

Our range of products is manufactured using modern technology and machines. Moreover, strict quality control measures are undertaken to ascertain that the high industry standards are duly followed. We ensure that all the surgical products offered by us are free from germs & bacteria and are safe to be used.

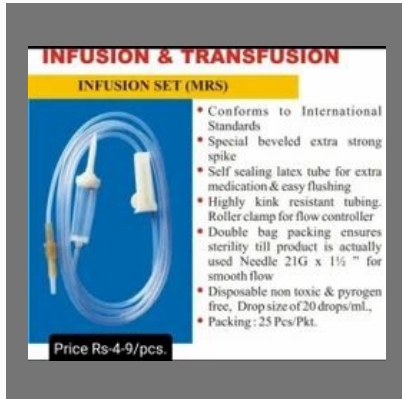

Owing to the vast experience and skills of the Managing director, **Mr. R. Agarwal**, we have made a prominent place at the Medical Industry.
