We are one of the noted manufacturers, suppliers, exporters and traders of a wide collection of Medical and Surgical Products. Our product series is widely demanded in hospitals and clinics.

## About Us

Established in the year **2014**, we, **Medicon Lifesciences**, are one of the trustworthy manufacturers, suppliers, exporters and traders of a broad of Medical and Surgical Products. Our product compilation comprises of Surgical Products, Disposable Surgical Products and Pharmaceutical Medicines, which are massively demanded in hospitals and doctor clinics. Owing to the outstanding quality and flawlessness, our product range is immensely popular among our prestigious customers, spread all across the world. All the efficient machines at our workplace support us in attaining the exact quality that is demanded in the market. In a very short time period, we have earned a giant range of customers, who place immense trust in our capabilities. We export our products **across the globe**.

Located at Vadodara (Gujarat, India), we have constructed a well-established infrastructural facility that is well-equipped with all the latest machines and tools that are required for the fabrication of the offered range. Further, we have divided our infrastructure into various sections that help us in the smooth production process. Deep domain knowledge and vast industry experience make it easy for our professionals to completely understand the exact requirements of clients and deliver the appropriate products within the promised time frame. Apart from this, our team is the strength of our organization that assists us in reaching a higher pace of success.
