About Us

MedyHype is a leading agency providing Image and Reputation Management Services. They are experts in providing essential services to anyone who wishes to build and maintain their brand image and visibility in the market. MedyHype was founded in 2009, since then they have worked with a variety of clients in different niches. They assure high-quality services provided by infield professionals to serve clients across industries and of all scales. Be it traditional marketing or digital marketing, they ensure that clients get the best of services across all possible platforms. We have a team of highly talented and professional consultants from the field of PR, Advertising, Digital Promotion, Events, and Media who are consistently working towards the perception management of brands as well as individuals. Our management team has an experience of more than 10 years in the marketing and communication industry. We provide all possible services a Brand requires to be able to fly high, some of which include Public Relations, Digital Promotion, Event Management, Advertising, Creative Strategies, Social Media Management & Films Production Services.
