About Us

Meera Laser Solutions started its operations in the year **2011** at **Chennai**, Tamil Nadu in India. Established as a sole proprietorship firm, we have emerged as one of the fastest growing organization involved in providing services, integrating as well as supplying an exclusive array of **Laser Welding Machines, Laser cutting Machines, Laser drilling Machines, Laser Hardening Machines, Laser cladding Machines, Engraving and Robot automation"**. On the other hand, our products are highly cherished across the nation for compact designs, easy maintenance, sturdy construction, attractive design, reliability, easy operations, high efficiency, safe usage and durability. Our products are manufactured using finest quality materials and components that are sourced from trusted vendors. Production process is carried under the strict quality control to ensure its line with set industrial standards. A series of quality checks have been established to ensure that our products are free from flaw and superior in quality. We have with us the support of robust infrastructural facility that enables us to offer reliable services and quality-assured products. Our infrastructure spreads across acres of land and is sectioned into varied departments. Our infrastructure comprises manufacturing, quality testing, customer care, research and development and more. All these specialized units are installed with varied machines and tools that enable to streamline...

LASER MARKING MACHINES

Our Product Range

Gold Laser Marking Machine

UV Laser Marking Machine

Laser Engraving Machine

Laser Engraving Machine

LASER WELDINGS

Laser Welding Machines

Spot Welding Machine

Laser Welding Machine

Hybrid Laser Welding Machine

LASER CUTTING MACHINE

Auto Feeding Laser Cutting Machine

Fiber Laser Cutting Machine

Fiber Laser Metal Cutting Machine

CO2 Laser Cutting Machine

LASER WELDING MACHINES MANUFACTURING AND INTEGRATION

Our Product Range

Battery cell Laser Welding Machine

Laser Soldering Machine

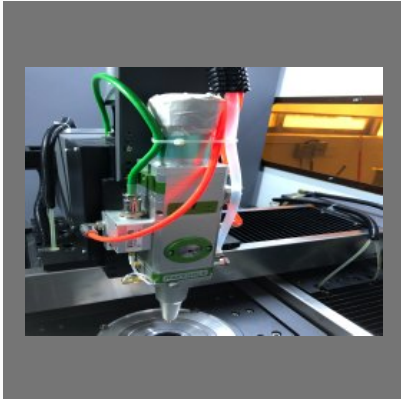

Laser Pipe Welding Machine

Eye Glass Frame Laser Welding Machine

LASER CUTTING

High Precision Laser Cutting Machine

CNC Channel Letter Bending Machine

Abs Laser Cutting

Laser Cutting Services

LASER WELDING

Our Product Range

Laser Welding Work Table Machine

Fiber Laser Welding machine

Laser Glove Box Welding Machines

6 Axis Laser Welding Machine

LASER NON-METAL CUTTING & ENGRAVING MACHINES MANUFACTURING

Our Product Range

Leather Engraving Machine

Die Board Cutting Machine

Fabric Cutting Machine

Laser Engraving Machine

PLASTIC LASER MARKING

Plastic Laser Marking Machine

Fly Laser Marking Machine

Laser Marking Control Card

UV Marking Machine

FIBER LASER CUTTING MACHINE

Our Product Range

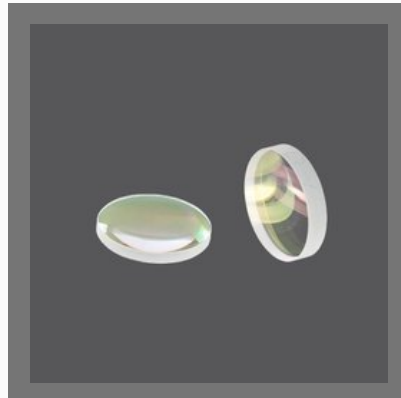

Fiber Laser Cutting Machine

Fiber Laser Cutting Machine

Co2 to fiber laser conversion

fiber laser protection Mirror

LASER METAL CUTTING MACHINES

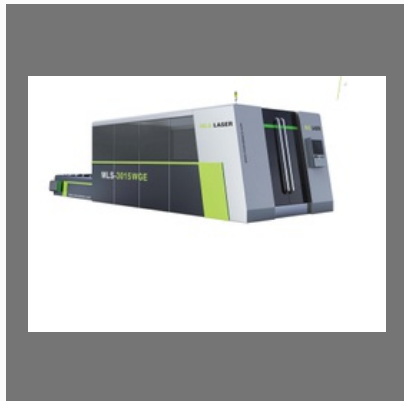

Our Product Range

Surgical Instruments Laser Marking Machine

Laser Cutting Machine

Laser Metal Cutting Machine

Electric Laser Cutting Machine

ND-YAG LASER WELDING MACHINE SERIES

Our Product Range

UW-300A Laser Welding Machine

UW-025A Laser Welding Machine

UW-150A Laser Welding Machine

UW-600A Laser Welding Machine

CNC ROUTER MACHINE

Our Product Range

CNC Router Machine

Simple Auto Tool Change
CNC Router Machine

Double Head CNC Router
Machine

5 Axis CNC Automation
Machine

LASER MOULD WELDING MACHINES

Our Product Range

Mold Laser Welding Machine

Mould Laser Welding Machine

Hanging Arm Laser Mold Machine

Fiber Laser Mould Welding Machine

LASER SURFACE HARDENING MACHINES

Our Product Range

Mold Welding Machine

Mold Repair Machine

Laser Hardening For Mobile Industry

Mould And Die Laser Surface Hardening Machine

3D CRYSTAL ENGRAVING MACHINES

3D Surface Crystal Engraving Machine

Jeans Engraving machine

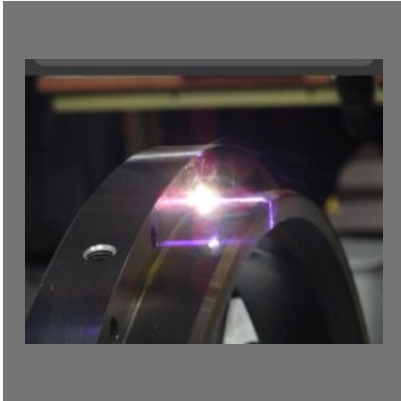

3D Glass Engraving Machine

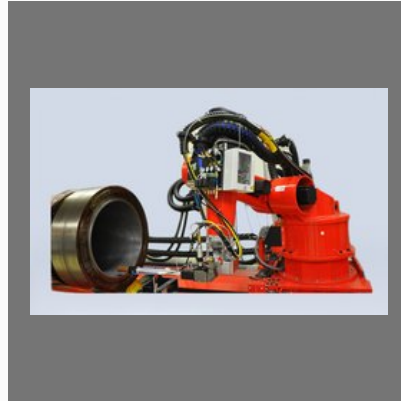

Large Scale Glass Engraving Machine

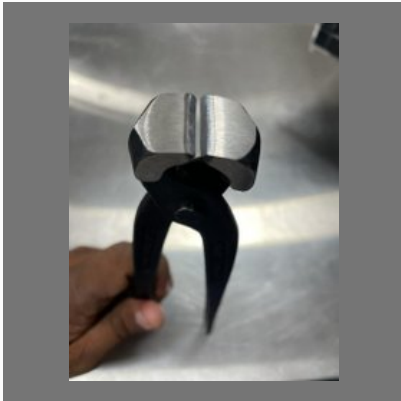

LASER HARDENING

Laser Surface Hardening service

Laser Hardening Machine

Laser Hardening Job Work

LASER MACHINE SPARE PARTS

Our Product Range

Laser Cutting Head

Laser Chiller

Laser Chiller

JEWELLERY WELDING MACHINES

Our Product Range

Laser Jewellery Welding Machine

Jewellery Laser Welding Machine

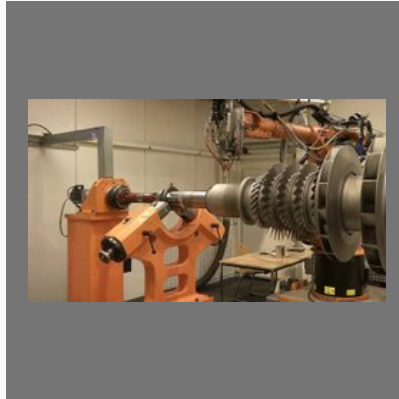

Jewellery Spot Laser Welding Machine

LASER CLADDING MACHINES

CNC with Laser Cladding Machines

Robot Laser Cladding Machine

Laser Cladding Machine

LASER CLADDING

Laser Cladding Machine

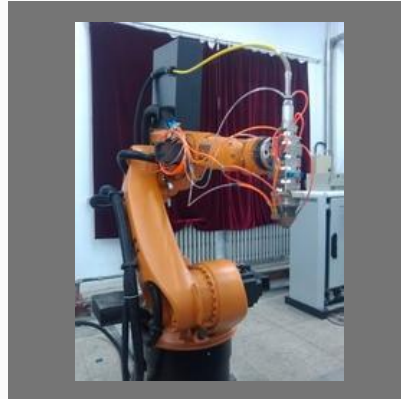

ABB Robot Laser Cladding Machine

Laser Cladding Services

NEW ITEMS

Deep Laser Engraving Machine for Metal

3d Laser Die Engraving Machine

Online Flying Laser Marking Machine

Laser Hardening Service

Vinable Laser Marking Machine

Factsheet

Year of Establishment : 2010

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 26 to 50 People
