About Us

Mega Creations came into existence in the **year 2000** as a sole proprietorship organization at **Hyderabad, Andhra Pradesh (India)**. Today, we are counted as a recognized name of the industry engaged in **manufacturing, trading and supplying** a wide spectrum of **Bags, Paper Products, Printed products and Printing Products**. Our products are widely used and admired in the various industries for its world-class quality and salient features like fine printing quality, easy legibility, attractive designs, dimensional accuracy, reliability, long-lasting colors and high utility. We are able to achieve a significant position in the market under the able guidance and supervision of **Mr. S. Kumar Velpula**. He possesses a vast industry experience, which help us in improvising our existing processes and procedures. His progressive approach and sharp business acumen has helped the company to grow at a steady pace. Our team of highly knowledgeable professionals supports us to efficiently address to the diverse demands of our clients. These professionals belong to different working backgrounds and possess expertise in their respective fields. All our professionals work in close proximity to offer high quality products to the clients that meet their varied needs in every aspect. We are backed by a robust infrastructure facility, which ensures smooth functioning of every process of business operations. Our infrastructural facility is...
