

# M/S Mega Power Engineering

<https://www.indiamart.com/megapowerengineering/>

We are manufacturers, suppliers and service providers of wide range of Isolator Drive Boxes i.e Motor Operating Mechanism Boxes and Manual Operating Mechanism Boxes for isolators up to 400 kV and Control Panels like MCC, PCC, PLC etc.

## About Us

We “**Mega Power Engineering, Hyderabad**” are one of the leading manufacturers, suppliers and service providers of **Industrial Process Components, MOM & BOM boxes for Isolators, Control Panels and other associated equipment** all over **India**. Manufactured using superior quality raw material, our range of products is durable and resistant to corrosion. Moreover, we offer these products in different specifications. With our wide range of products, we have catered to the requirement of the diverse industries. Our organization has a huge distribution network spread across India, which enable us to make the products available to the clients. We supply our products to many reputed clients such as **GR Power Switch Gear Limited, Siemens Limited at Hyderabad, and Power on Switch Gears**. Furthermore, our products are delivered to the clients, within the stipulated period of time with complete safety. We also maintain cordial relation with our clients which enable us to attain maximum client appreciation. We have a well developed infrastructure facility, which helps us to deliver superior quality products.

Latest machines are installed in our production plant, which are operated by our skilled workforce. Under the able guidance of our mentor “**Mr. J. Venkannababu**”, we have carved a niche in this sector. His immense experience in this domain and sharp business acumen has been a inspirational factor and helped us to...
