About Us

Our organization “**Megma Health Care Pvt. Ltd.**”, is a **Private Limited Company** that was established in the year **2005**, at **Chandigarh (India)**, as a **Trader** and **Supplier** of highly effective **Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Syrup, Pharmaceutical Injectables, Liquid Suspension**, etc. The medicines provided by us are processed using high quality chemical compounds and innovative machines under the stern supervision of our dedicated team of professionals at the vendors’ end. Being a quality focused enterprise, our vendors assure us that the offered medicines are the best in terms of quality and effectiveness. We also make available these medicines in enormous packaging options as per the specific needs and requirements of our prestigious patrons with no hassle. Furthermore, clients can easily avail medicines from us at cost-effective price range within the predefined time span.

Our strong association with some of the honorable and reliable market vendors helps us to offer quality approved medicines at the users’ premises. Our associated vendors are selected under the strict vigilance of our dedicated and dexterous procuring agent on the ground of their financial status, promptness of deliveries, flexible payment modes, ethical business practices, business rankings and reliability. The vendors who are associated with us help us to meet the exact needs and preferences of the...
