## About Us

Melon Hospitality Pvt. Ltd. serves its clients everything under one roof when it comes to Hospitality. Our expertise include hotel consultancy/restaurant consultancy and managing operations, training & development, stand alone & corporate catering units, fiscal and accountant service, hotel development, hospitality marketing (hotel sales and marketing, advertising), feasibility studies, asset management, consulting and lender workouts.

We are flexible; performance oriented and poised to meet the ever changing needs of the hotel industry. We care about our people; committed in helping them to reach their potential goals and ensuring that the company needs are met by meeting the people needs.

We craft total concepts for the hospitality sector, and have extensive in-house experience in hospitality projects and operations. We discover concepts, create entirely new brands and energize existing business ideas. In short, we are an organization with a wide range of expertise.

We have the talent and experience to understand the importance of knowing the competition, developing new business, costs analysis, new technology, employee training and guest satisfaction, which are all the components needed to create profitability.
