## About Us

More than eight decades back, Gregory Joseph Mendez started a woodcraft workshop in an estate on the lush green hills of Anamalai. His sons, who wanted to keep the tradition alive, started a woodcraft workshop set up with modern amenities and state-of-art machines.

Mendez Wood Craft based in Cochin, has come to be a leading interior designer and contractor in Kerala within a span of years by the quality work that is delivered on time. Our success is attributed to our dedicated team of creative designers and experienced work force who turn your dreams into reality.
