Manufacturers of melamine tableware, kitchenware and best export quality crockery.

About Us

The same, exclusive dinnerware and tableware, which is exported to more than a dozen countries. And which has won hearts across the world thanks to its eye-popping 150 designs (nine design families!) permuted with 12 scintillating base colors!

Make your pick from any of its three dozen product items and seven high quality ranges SuperDelux, Delux, Bonton, General, Comfort, Commercial and Standard. All made of state-of-the-art Melamine. In plants that follow the most stringent global quality standards in crockery design, fabrication, manufacturing and packaging. With possibilities of customizing designs for connoisseur customers

MenoWare.

Designer crockery that doesnt break, chip, fade or distort. Crockery that is microwave-, stain-, scratch- and dishwasher-proof. Crockery, which nearly a million homes and organizations use and gift worldwide.

A work of fine art and leading edge technology that wows your dinnertable and diners alike!

This catalogue is only a glimpse of the wide MenoWare world of designer crockery.
