About Us

Merchant Impex was established in the year 2005. A prominent suppliers and exporters of marine used & new machinery, Merchant Impex operates from the largest ship recycling yard of Asia "ALANG". The company is engaged in the business since 1996 and deals in all types of machinery, hydraulics, tools, pumps, welding machines, hoists, oil,grease and much more materials.Our infrastructure has sophisticated facilities such as advanced tools & technology and well-maintained machinery in which all the products are checked and repaired as per their requirement. We have a spacious warehouse for storing the products in a protected atmosphere. Over the years the company has built a great reputation in exporting marine engines & it's spare parts and other marine items all over the world. We work very hard and heartily to give satisfactory service to our Customers which is the main aim of our company.
