About Us

Meridian College offers the distinct advantage of being small enough to know you personally yet large enough to provide the necessary staff and facilities. Our low student-teacher ratio allows for individual attention and overall development. We want to be a 'college with a difference', driven by the reformist vision and enduring passion for excellence.

A new generation college with a strong foundation on Indian ethos with absolute dedication and determination of the management and faculty in imparting value education has awakened the competitive nature among the students to engender brilliant academic ranking. Meridian College epitomizes the unwavering visionary zeal and mission objectives of Jyothis India Education Trust, Mangalore.

At Meridian, we expect a strong foundation in the field of management, information science, social work, hospitality management etc. Our goal at Meridian is to develop excellent graduates able to meet global challenges in the liberalized world. Meridian realizes that soft skills and case study techniques are essential for a successful manager; hence they have been made compulsory for all students. Summer placement ensures industry – institutional bond and field based advanced skills training.

We are proud of its multicultural environment. It has students on its rolls. Our teaching facilities include the computing center and the library with a large collection of books by...
