About Us

Founded in **2003**, **M.G.S. Fabrication Works** is the leading **Manufacturer** of **Aluminum Window, Platform Trolley Swing, Mild Steel Gate** and much more. These products are made by experts employing the advanced techniques and best quality material, which is bought from dependable vendors of the market. Professionals make these products as per worldwide industry principles. Being a customer's centric firm, our professionals also make these products according to our customer's necessities and requirements. Our presented products are extremely admired for their longer life, sturdiness and durability. Furthermore, our truthful dealing, ethical business strategy, well-planned ship facility and nominal price have helped us in upholding prominent position in the market. The hi-tech and well-equipped infrastructure of our firm enables us to manufacture bulk production in line with the predefined industrial norms. For this, we have made a highly innovative manufacturing unit that is fully laced with hi-tech machinery and tools. Under the direction of our mentor **Intaj Shaikh**, we have achieved a prominent place in the market. His admirable industry practice allows us to attain the trust of clientele. We also provide **Fabrication Works**.
