

# Micro Turners

<https://www.indiamart.com/micro-turnerssolan/>

Manufacturer of clutch release forks, turners etc.

## About Us

The core strength of our organization is the latest machining facilities and the dedicated man power of appox. 300 nos. which comprises of Qualified Engineers, Skilled Machinists and Competent Administrative workforce.

We have designed S.P.M's for doing the critical operations which are otherwise difficult to do in conventional machining. For effective measurement we have designed gauges for every operation even if the operation is small.
